QUEST-AI 2026

An international forum for researchers, academicians, industry professionals, and students to exchange ideas and present advances in Quantum Technologies, Artificial Intelligence, Sustainable Energy Systems, Smart Grids, Power Electronics, Electric Mobility, and Emerging Engineering Technologies. The conference aims to foster interdisciplinary collaboration, promote innovation, and strengthen academia-industry partnerships towards building a sustainable and intelligent future.

About Andhra University

Established in 1926, Andhra University is one of India's oldest and most prestigious institutions of higher education. Accredited with an 'A++' Grade by NAAC, the University is renowned for its academic excellence, research contributions, and commitment to innovation. Nestled amidst the Eastern Ghats and the Bay of Bengal in Visakhapatnam, Andhra University provides a dynamic environment for learning, interdisciplinary research, and global collaboration.

About AU College of Engineering (Autonomous)

About AU College of Engineering (Autonomous), Andhra University, is a premier institution renowned for academic excellence, research, innovation, and industry collaboration. With a strong multidisciplinary foundation, the College nurtures talent and promotes sustainable technological advancements to address global challenges.

About Visakhapatnam

Visakhapatnam, known as the "**City of Destiny,**" is a vibrant coastal city on the Bay of Bengal in Andhra Pradesh, India. Famous for its scenic beaches, lush hills, major industries, and renowned educational institutions, the city provides an ideal setting for academic exchange, innovation, and cultural experiences.

Patron

Prof. G. P. Rajasekhar
Vice-Chancellor, Andhra University

Co-patron

Prof. P. King,
Rector, Andhra University
Prof. K. Rambabu,
Registrar, Andhra University
Prof. M. Shashi,
Principal, A. U. College of Engineering(A), AU

Conference Chair

Prof. V. Valli Kumari,
Dean R & D, and HoD Computer Science and Systems Engineering.

Conference Co-Chair

Prof T. R. Jyothsna,
HoD Electrical Engineering
Prof P. Swapna,
HoD Instrument Technology
Prof P. V. Sridevi,
HoD Electronics and Communication Engineering
Prof D. Lalitha Bhaskari,
HoD Information Technology and Computer Applications

Tentative Keynote Speakers

- **Scott Christian,** Vice President of AI & Infrastructure Cupertino, California, United States
- **Dr. Thomas Munoz,** CEO Alpine Quantum Technologies, Austria
- **Prof. Kala Meah,** *Chair of the Electrical and Computer Engineering, York College of Pennsylvania, USA*
- **Dr. Marwan Dhamrin,** *Professor at the Graduate School of Engineering, Osaka University, Japan*
- **Dr. Nabil Mohammed,** *Senior Lecturer, Electrical Engineering, Federation University, Australia*

Tentative Plenary and Invited Speakers

- **Dr A. Venugopal**, Director, NPL, New Delhi
- **Prof. M.V. Panduranga Rao**, IIT Hyderabad
- **Sri. Utkarsh Bhardwaj,** Scientist, BARC
- **Prof. V. Jyothi**, IIT Hyderabad
- **Prof. Amitabha Bhattacharya**, Dept. of ECE, IIT Kharagpur
- **Prof. Gautam Kumar Mahanti (HAG)**, NIT Durgapur
- **Prof. V. Krishna Rao**, Dept. of ECE, MNNIT Allahabad
- **Prof. N.V.S. Narasimha Sarma**, NIT Warangal

CONFERENCE THEMES/TRACKS:

The themes for QUEST-AI 2026 include but not limited to the following tracks in Computer Science, Information, Information Technology, Electronics and Communications, Electrical Engineering, Instrumentation Technology

COMPUTER SCIENCE AND SYSTEMS ENGINEERING & INFORMATION TECHNOLOGY AND COMPUTER APPLICATIONS

- Cloud Computing and Architecture
- Digital Twins and Simulation Driven Engineering
- Cyber Physical Systems, Industrial IoT (IIoT) and Edge Intelligence
- Smart Agriculture, Water Management and Food Security
- Fintech, Block Chain and Decentralized Intelligent Systems
- Cybersecurity, AI Threat Detection and Resilient Systems, PQC, QKD
- Ethics, Governance and Responsible AI/Trust Frameworks
- AI and Quantum Applications in Health Care, Transportation, Climate Modelling and Financial Services

ELECTRICAL ENGINEERING

- Smart Grids and Power Systems
- Renewable Energy and Microgrids
- Electric Vehicles and Energy Storage
- Power Electronics and Drives
- Artificial Intelligence Applications in Electrical Engineering
- Quantum Technologies for Sustainable Energy

ELECTRONICS AND COMMUNICATION ENGINEERING

- Communication Systems and Networks
- Antennas, RF And Microwave Engineering
- Signal Processing and Image Processing
- VLSI, Embedded Systems and Semiconductor Technology
- Emerging Technology and Interdisciplinary Research

INSTRUMENT TECHNOLOGY

- Intelligent control systems, Autonomous robots for agriculture and biomedical applications
- Industrial automation and Industry 4.0
- Micro and nano sensors

Towards a Sustainable Future

Important Dates

Abstract submission	**15 Jul 2026**
Acceptance intimation	**20 Jul 2026**
Submission of camera-ready paper	**1 Aug 2026**
Registration Starts from	**5 Aug 2026**
Last date of registration	**25 Aug 2026**

Registration Information

- At least one author must register for each accepted paper.
- Co-authors must pay the full registration fee to attend and receive a certificate.
- Registration requires submission of the registration form and fee payment.

Registration Fee

Category	Indians (Rs.)	Foreign (USD)
Students/ Scholars	1,000/-	30
Academicians/Faculty members	2,000/-	40
Industry/R&D	5,000/-	70

Submission Guidelines & Indexing

Faculty members/research scholars/scientists from India and abroad are invited to submit original unpublished research on the topics related to the conference. Research papers should present novel perspectives within the general scope of the conference. Literature reviews/survey papers will only be considered if they present a new perspective or clear benefit to the field and define the field in a new way or highlight exciting new technologies or areas of research. The manuscript must adhere to the conference template format. The conference paper template is available on the conference website (https://quest-ai.in). The papers received will be peer reviewed before being accepted for presentation
